Watchman Fellowship, Inc.

MISSION STATEMENT

Watchman Fellowship, Inc., founded in 1979, is a non-profit, independent Christian research and apologetics ministry focusing on new religious movements, cults, the occult, counterfeit Christianity, and New Age spirituality. We maintain files and information on hundreds of religious movements, spiritual leaders, and controversial doctrines. Our team has developed an extensive research library containing over 50,000 cataloged items (books, periodicals, files, and media) pertaining to this field. The purpose of Watchman Fellowship is threefold: evangelize, equip and educate.

Evangelize: The staff of Watchman Fellowship has participated in mission trips throughout the US and internationally. We have shared the gospel at psychic fairs, New Age events, Jehovah's Witnesses Conventions, and many Mormon Temple openings. Our team has conducted evangelistic outreaches to Mormons for over 20 consecutive years in Utah. Internationally, we have organized and participated in mission trips to over a dozen countries including Canada, Mexico, Germany, Hungary, Romania, Russia, Kiev, the Philippines, Indonesia, Malaysia, Papua New Guinea, Kenya, South Africa, and several Caribbean countries.

Equip: Jesus warned "beware of false prophets." How can one *beware* unless one is first *aware*? By equipping the body of Christ through local churches, we help Christians evangelize those of other faiths and to educate their neighbors against false teachings. Each year our staff teaches hundreds of times in churches throughout America as well as at numerous Bible colleges and seminaries equipping tens of thousands of Christians to correctly distinguish biblical Christianity from alternative faiths and religions. We provide solid training to help believers effectively share the Gospel with those who do not share our Christian worldview.

Educate: Watchman Fellowship impacts local communities and the general public by clearly contrasting the difference between the traditional Christianity and the other gospels. We do this through educational conferences, our website (www.watchman.org) and the news media. We are recognized by the media as trusted experts having been interviewed on *Nightline*, *ABC World News Tonight*, *The News Hour* (PBS), and *USA Today*.

DOCTRINAL STATEMENT

Watchman Fellowship holds to these foundational truths of God's Word:

Scripture: The Bible, inerrant as originally given, is God's verbally inspired, complete revelation to mankind.

God: There is one God, who is infinitely holy and perfect, existing eternally in the Persons of the Father, the Son and the Holy Spirit.

Jesus Christ: We accept the Virgin birth, earthly miracles, sinless life, substitutionary death on the cross, bodily resurrection, ascension, and literal second coming of our Lord Jesus Christ.

The Holy Spirit: The Holy Spirit is the Divine Person sent to indwell, guide, empower and sanctify the believer, and thus to bear witness of our Lord Jesus Christ.

The Church: The Church consists of all those who believe on the Lord Jesus Christ, are redeemed through his blood and are born again of the Holy Spirit.

Resurrection: There will be a resurrection of the saved and the lost, the first to everlasting life and the second to everlasting punishment.
