Dear Friends,

Do you know one of Jehovah's Witnesses? Have you ever had them knock on your door with their *Watchtower* and *Awake!* magazines? I want to help you be prepared to turn your front door into the mission field. Yes! With just a little bit of training and preparation you can be equipped to share the true Gospel of the grace of Christ with a Jehovah's Witness neighbor, coworker, or the next time you get “the knock.”

### Powerful DVD for FREE!

This is why I want you to claim your copy of one of the best tools we have ever found for understanding and reaching Jehovah's Witnesses. In less than one hour, you will receive a crash course on the beliefs, practices, history, and key terms of the Watchtower Bible and Tract Society. You do not want to miss this special offer!

Produced by the North American Mission Board (NAMB), this effective and compelling documentary is normally a **\$20 value**. This month we are making it available for **free**. For 2012, the Watchtower reported over 19 million people attended their meetings and that a new Kingdom Hall was launched every 6 days. They also claimed that 7.7 million of them spent more than 1.7 *billion* hours in “field ministry” (going door-to-door). No wonder almost every door gets a knock. That is why every Christian needs to be prepared. But what do you do when you hear that doorbell?

If you are like many Christians, you may have a feeling of dread or even fear. Perhaps that is why many Christians pretend that they are not home when they hear that knock. Even worse, some answer the door with a verbal attack rather than a gospel message.

We must always remember that the Jehovah's Witnesses are not our enemies. These are our neighbors who need to hear the true Gospel of the grace of Christ. Except for that grace, any one of us could be that Jehovah's Witness. So what should we do? **(OVER)**

Over the years, we have developed some simple Christian guidelines for sharing with Jehovah's Witnesses when they knock at our door. I believe we *can* have an effective Christian witness even when we only have a few minutes to share at the front door.

### **Dos and Don'ts at the Front Door**

1. **Don't** be rude. We want to reach them with truth not repel with insults.
2. **Don't** play "Bible Ping Pong" when you only have a few minutes. Try and avoid needless arguments.
3. **Do** briefly share your salvation testimony. Focus on forgiveness by grace not works and your assurance in Christ.
4. **Do** invite them back when you have more time to share.
5. **Do** pray for them by name after they leave.
6. **Do** your homework. Our free DVD is a great tool to help you prepare for a further witness.

Rudy Gonzalez, ex-Jehovah's Witness now a vice president at Southwestern Baptist Theological Seminary, is one of several national authorities featured on the DVD. He says, "*In the Name of Jehovah* will equip those who watch and study it to present the life-saving message of God's grace with discernment and confidence... It is a must for all believers who take seriously the evangelism of all people."

### **Please Pray for Our Utah Mission Trip This Month**

I will be joining other Watchman staff and volunteer missionaries in Utah later this month. Each summer, the Church of Jesus Christ of Latter-day Saints produces a massive theatrical drama, the **Mormon Miracle Pageant**, on the grounds of the Mormon Temple in Manti, Utah. In this huge outdoor production, a cast of 800 Mormons reenact key scenes from the Book of Mormon and early Mormon history viewed by over 80,000 Mormons and non-Mormons who attend the nightly performances. Watchman has had staff missionaries at each pageant for over 20 years. We team up with many other Christians to share the gospel and pass out Christian tracts. Please pray that God will open many eyes to the truth!

Yours in Christ,

James K. Walker, President

P.S. When requesting your free DVD, would you also consider making a significant investment in our gospel outreach? Summers are always financially difficult and every donation counts. That is why [your gift right now](#) would be a huge blessing – Thank you!
